

# CYBERSECURITY BINGO

## FOR KIDS!

GRADES K-12

**Review privacy settings on your devices with your parent(s) or legal guardian**

**Restart your devices to ensure security updates have been fully installed**

**Discuss with your parent(s) or legal guardian what they are and are not comfortable with you sharing online**

**Research how to create strong passwords**

**Set your social media accounts to private**

**Talk with your parent(s) or legal guardian about whom you are and are not allowed to communicate with online**

**Hold a family "Tech Talk" to discuss how each family member can protect their devices, accounts, and personal information**

**Watch a YouTube video about Phishing**

**For entry form, rules, and additional Bingo cards visit [www.custominternet.biz/bingo](http://www.custominternet.biz/bingo).**
